

Mark your calendar on May 21-23, 2010 for a fabulous Model A event. The NCRG Board of Directors is hosting the 48<sup>th</sup> NCRG Roundup at the Italian Benevolent Society Picnic Grounds located in Martel, CA. Martel is an unincorporated area between Jackson and Sutter Creek in Amador County, CA. We have use of the private picnic grounds, which sit on Sutter Hill, for the entire weekend. Many NCRG chapters have stepped forward to make this event possible by volunteering to host the various roundup events, activities and meals. On the Grand Tour, with guided directions, you will visit the picturesque Sierra foothill countryside and the wine country of Shenandoah Valley, with time for lunch at one of the many restaurants in the area.

One important note to remember is that there is NO host hotel. For additional information and the motel list, please refer to the NCRG website, [www.ncrgmafca.com](http://www.ncrgmafca.com). If you do not have Internet access, contact the coordinators listed below.

Some of the events to look forward to include:

- Welcome party with BBQ dinner and entertainment
- MAFCA sanctioned car judging
- Technical seminar on installing an overdrive with video and demonstration of "one man operation" assistance fixture
- Hubley derby
- MAFCA sanctioned fashion judging
- Fashion seminar on era patterns followed by pie dessert
- Awards banquet with limited announcements
- Car games
- Running board swap meet and staffed fashion swap meet at no cost
- Raffle prizes
- Grand prize raffle of a rebuilt Model A transmission
- Sale of polo shirts, mens work shirt, and caps with embroidered NCRG logo

We look forward to seeing you soon, renewing old friendships, meeting new Model A'ers and having fun!
