
NORTHERN CALIFORNIA REGIONAL GROUP

OF THE MODEL A FORD CLUB OF AMERICA

THE BILL JONES ALL-A-ROUNDUP AWARD

Purpose:

The purpose of the Bill Jones All-A-Roundup Award is to honor the spirit of participation so important to the success of our Model A hobby. It shall be awarded to the person(s) judged to be the most outstanding participant(s) at the Northern California Roundup each year. In those years when there are no candidates that qualify by participation in all requirements, 1 through 4 below, no award will be presented. The Award is given in memory of a great Model A activist, enthusiast and participant, Bill Jones. In 1962 Bill was one of two members who discussed the idea of having an annual Roundup with the Model A Chapters in Northern California. His efforts were realized in 1963 when the Yosemite Chapter (now the Modesto Area A's) held the first Roundup on May 25-26 in Modesto. In 1970 when the Northern California Regional Group was officially organized, Bill was again instrumental in its founding. He was also very active at the National level as a MAFCA Board member in 1963-64 and again from 1972-75. During this later term he was elected MAFCA National President in 1974. His involvement in the hobby wasn't limited to Board activities as he was the Chief Car Judge of the 1962 National Meet in San Francisco and Co-Chairman of the 1980 MAFCA National Meet in Reno. His lifetime involvement and support of the Model A hobby was recognized when MAFCA awarded a Life Membership to Bill and Edie in 1981.

Bill attended every NCRG Roundup from the beginning in 1963 through 1999. His spirit of competition, fellowship, and participation in the Model A hobby is with us at every Roundup. He participated in all phases of our hobby from fashions to car restoration. Bill was a mentor to many and always epitomized the best of our hobby. Without his dedication and involvement, the Model A hobby as we know it in Northern California would not be what it is today.

Requirements:

Candidates for the Bill Jones All-A-Roundup Award shall actively participate in the Roundup activities with their own Model A Ford by entering the following events:

Gymkhana
Era Fashion judging or an Era Fashion Judge
Car judging or a Car Judge
Hubley Derby

Scoring:

If more than one candidate has entered all qualifying events, the judging committee will determine the final winner by evaluating each candidate's score in each event as outlined in Appendix A. The candidate with the highest evaluated score will be the Award winner.

Presentation:

The Bill Jones All-A-Roundup Award shall be presented at the NCRG Roundup Banquet.

Award:

The trophy award will be supplied by the NCRG and available for presentation as outlined above.

Judging:

The judging shall be conducted by a three member committee. One member shall be appointed by the NCRG President and two shall be provided by the host chapter. It is incumbent upon the appointed judges to make themselves knowledgeable of the particulars of this award.

Adopted: 5/21/2005

NCRG President: George F. Fontaine

APPENDIX A

Scoring Guide

The NCRG President's appointed judge shall ask the Meet Chairpersons of the Gymkhana Event, Era Fashion Event, Car Judging Event, and Hubley Derby, to provide scores for these events, for persons (by Meet Registration number) qualified for consideration for the Bill Jones Award. For Fashion judging and Car judging a list of the judges will also be required. Sort all entries to determine which candidates have qualified by entering all four events (Gymkhana, Era Fashion Judging and/or Judge, Car Judging and/or Judge, and Hubley Derby). Using the point guide below, enter these into the appropriate score sheet, Chart 1, for each candidate. Total the points for each candidate to obtain the overall Bill Jones Award score.

Gymkhana

The Gymkhana score (one entry per Meet Registration Number), recorded for each individual event by 1st, 2nd, or 3rd place points when appropriate.

Era Fashion

The Era Fashion score (by Meet Registration number) shall be the points achieved by entering as a contestant or a judge as appropriate. If more than one person is entered under a Registration number (assuming one family registration) then the points for each will be recorded and totaled for the Era Fashion score.

Car

The Car score (by Meet Registration number) shall be the points achieved by entering as a contestant or a judge as appropriate. If both a judge and a contestant then the points for each will be recorded and totaled for the Car score.

Hubley

The Hubley score (by Meet Registration number) will be recorded by 1st, 2nd, or 3rd place points when appropriate.

The candidate(s) receiving the highest number of total points shall be determined the winner of the Bill Jones award. In the event of a tie, the candidate scoring the highest number of actual points from the meet tallies for each event will be given 1 additional point for that event and the scores will be retallied. If a tie still exists then duplicate awards shall be given. The winner is for a single Registration number, be that a single entrant or a family entrant.

Event Point Guide

Event	Points	Judging Standards Points
Participating (for 4 qualifying events)	4 Points	
Gymkhana, each event		
First Place	3 Points	
Second Place	2 Points	
Third Place	1 Point

Grand Total _____

* SAMPLE SCORE SHEET

George & Martha Washington, Registration #123, participate in 4 events and are candidates for the Bill Jones Award. They enter the Gymkhana and receive a 1st place in one event, a 3rd place in another and do not place in 2 others. George is judged in Fashion and receives a 3rd place award and Martha is a Fashion Judge. They enter their car for judging and receive a 1st Place, Award of Excellence and Best of Show and George is also a car judge. They race their Hubley car but it slows down when a wheel comes off and they don't place in that event. Using this data, their score sheet would look like this:

Bill Jones Award Tabulation by Registration Number #123

Event Point total by registration number

Participation 4

Gymkhana 4 (3+1+0+0)

Era Fashion 5 (2+3)

Car 18 (4+5+6+3)

Hubley 0

Grand Total 31
