

Dear Fellow Model A'ers,

The 2010 tour season is upon us.....It's the year that the Hangtown A's host our **Apple Hill Meet** over the **Labor Day Weekend**, here in **Placerville**. We want to make sure you put us on your Chapter Tour Calendar. Since we began doing this in 1980, many of you have been here at one time or another and we would really like to see you again. We can tell you that you will have the same great time as always. As you know, our meet is designed to reflect the heritage of our past gatherings.....laid back, a fitting end to the touring season, economical, and a last chance in the year, before the National Banquet, to visit with Model A friends old and new. We try to keep it plain, simple and lots of fun. As we always do, this year we'll have more new adventures for you to share. What better way to celebrate Fall than by visiting the Foothills of the Sierra, during apple time, in your Model A.

Please download a copy of our Registration Form, print some for your chapter members and include a copy in your newsletter. Early registration will begin on Friday afternoon **September 3rd**, for those that like to arrive early. Normal registration is Saturday morning, **September 4th**. Come to registration wearing any previous Apple Hill shirt and receive one (1) free Pick-A-Prize ticket.

This year we are challenging each chapter to *Go For The Gold* in two events !!! New to Apple Hill this year the first Challenge is for each chapter to have their best entertainers ready to perform in the first Hangtown Model A Talent contest with a three minute performance before dinner on Sunday, September 5th. The Hubley Club Challenge continues Saturday night with each chapter racing their fastest Hubley.

So from all of us in Hangtown we wish you happy trails until we meet in September for Apple Hill 2010!

A's always,

Charlie *Bessie* *Ginger*
