## President's Message

## January

Hi Everyone. Welcome to 2022! I hope you had a wonderful Holiday Season and that your 2022 will be more normal. We have made some changes and are finalizing the tours and programs for this year. The only thing going on in January is the Turlock Swap Meet on January 29<sup>th</sup> and 30<sup>th</sup>. The NCRG meeting that was to be held there has been moved to February 12 in Sacramento at the California Auto Museum. Please let me know if you will be going.

On Saturday, February 19<sup>th</sup> at 1:00P.M. at the Gold and Silver Restaurant in Reno Sagebrush will have a buffet lunch (\$26 beverage, tax & tip incl.). A General Meeting and showing of the movie "Annual Tour Preparation for the Model A"

will follow lunch. Please RSVP to me at 775-250-4908 or to [scott@aamgt.com](mailto:scott@aamgt.com) by February 16<sup>th</sup>. On March 25<sup>th</sup> Larry and Jerri Nixon will be leading the shake down tour to Genoa for lunch at Walley's Hot Springs and then a drive around the valley. Details to follow. For April, Dawn Bower is in the final stages of planning a three day tour to Bishop, CA and over to Death Valley (two nights in Bishop). More information will follow. On May 22<sup>nd</sup> the Annual Steak Fry and Auction has been confirmed at Bowers Mansion. John and Nancy Jorgensen are overseeing this. Hopefully by holding it early we will miss the fires this year and have nice weather to enjoy barbequed steaks and chicken. Also in May, Leland Miller will be leading an overnight to Winnemucca on May 29<sup>th</sup> and then over to Paradise to participate in their Memorial Day Parade on May 30<sup>th</sup>. More information on hotel reservations, etc. will follow. On June 25<sup>th</sup> and 26<sup>th</sup> Michael Fox has planned an overnight to Gerlach and to the visit the Fly Geyser and hot springs. Most of us have heard of this magnificent local landmark, but few have been lucky enough to actually gain access to see it. Michael has been able to get access to the private land to view the geyser up close and take a dip in the hot spring, if desired. Well that is the first six months. As plans are finalized, probably by the end of January, you will be notified of more specifics.

Lastly, I am sad to report that Chuck Kriss passed away unexpectedly last month. Our most sincere condolences go out to Jan and their family. Chuck and Jan have been very active members of Sagebrush for many years and Chuck will be greatly missed.

# Some bad ideas from the past

Disposing of used engine oil can be a problem. Solution: Dig a hole in the ground with a posthole digger and fill it with fine gravel. Then pour in the oil. It will be absorbed into the ground before your next change. Cover the spot with soil.

### USE CAR'S EXHAUST TO CLEAN CUSHIONS

Using the exhaust gas of the automobile to clean the upholstery is the accomplishment of a recently invented device. An aluminum attachment is fastened to the exhaust pipe and the engine is allowed to idle. As the exhaust gas passes through this device suction is created at the inlet hole. Collected by a nozzle, the dust and dirt are drawn through the hose and expelled into the air at the rear of the car. It is made in three models, for cars of different size.

With the car's engine idling, gas from the exhaust creates a vacuum that cleans the cushions

## To make your day a little lighter...

### To be 6 again

*George was a thoughtful husband. He wanted to give his wife something special for her birthday which was coming up soon. As he sat on the edge of the bed, he watched his wife turning back and forth and looking at herself in the mirror. "Reta," he said, "What would you like for your birthday?"*

*His wife continued to look at herself and said, "I'd like to be six again."*

*George knew just what to do. On the big day, he got up early and made his wife a bowl of Fruit Loops. Then he took her to an amusement park where they rode all the rides. Five hours later, Reta's stomach felt upside down and her head was reeling. Never the less, George took her to McDonald's and bought her a Happy Meal with extra fries and a chocolate shake. Next, it was a movie with popcorn, soda and her favorite candy.*

*As Reta wobbled into the house that evening and flopped on the bed, George asked her, "Well, Dear, what was it like to be six again?"*

*Reta looked up at him. Her expression changed. She said, "I meant my dress size!"*
