I miss the good old days...
Remember when you could actually have an opinion without offending somebody?

Your activities are important to our club. Please use your camera and record your adventures to share them with our readers.

• **MAFFI Minute, April, 2023**

•

For starters, a little history of the Model A Foundation, Inc. In 1984, trustees of the Model A Ford Club of America (MAFCA) began to discuss formation of a foundation with tax-exempt, charitable status. By 1987, a separate organization, MAFFI was officially recognized, with the goal of building a museum dedicated to the preservation of the Model A Ford car and related items of the era. The foundation grew and developed plans to build, and finally settled on the Gilmore location. The current building was completed in the fall of 2012, and the Grand opening was held in May, 2013.

Membership has steadily grown, and MAFFI has not had an increase in dues since well before the Museum existed. However, the cost of operating the Museum has continued to rise. The MAFFI Board of Trustees, in careful consideration of all the facts, has voted to implement the following dues structure, **effective May 1, 2023**. Note that each membership includes the named member and spouse/domestic partner.

Annual Dues - \$35 3 year membership - \$100 Lifetime Membership - \$500

Please note that MAFFI is the only partner museum at the Gilmore that offers a Lifetime membership, and... we maintain the lowest annual dues on the campus. Consider the many benefits that MAFFI membership brings, in particular... Paid members enjoy free admission to the Gilmore Car Museum all year. This alone is worth the cost of dues. You can find all the benefits of membership on the MAFFI website, www.maffi.org, where you can also join or renew and pay your dues using PayPal or your credit card. MAFFI membership is a great way to support this fascinating hobby!

Please watch here, on the website, and at the MAFFI Facebook page for information on the Model A Days, to be held September 15 & 16. It promises to be a great experience for the whole family again this year! Here's hoping that you will have a great year of enjoying the Model A hobby!

Joe Fox,
President - MAFFI

Bill found us online and contacted me.

We have a 1931 Ford Model A Coupe

that has been sitting in a garage in Livermore for the past 20 years. I believe the auto was fully restored by my grandfather, William "Roy" Nevil, and running at the time of his death in 1997. We are ready to find a new home for this automobile. We were told to contact your club to see how we can best go about selling. Would you or someone at the club have a recommendation for us?

Why do banks leave vault doors open and then chain the pens to the counters?

A&W began in June 1919, at [13 Pine Street](#) in Lodi, California, when Roy W. Allen opened his first root beer stand. Two years later, Allen began franchising the drink, arguably the first successful food-franchising operation. His profits came from a small franchise fee and sales. The following year, Allen partnered with Frank Wright to help Wright with the root beer business he had started that year. They branded their product A&W Root Beer.
