## President's Message

## JULY

What a great day tour to Davis Lake and the Portola Rail Museum on June 24th. We had seven Model A's join the tour that started at Bonanza Casino and stopped in at the White's Station in Loyaltown to say hi to Bonnie, then on to Davis Lake for a most enjoyable picnic lunch beside the lake. What a beautiful setting and heavenly weather. The Park Ranger stopped by to ensure we were enjoying ourselves and he had to get pictures of our cars. Following lunch we drove on to the Western Pacific Rail Yard in Portola. We embarked on a most interesting and enjoyable ride around the facility in a vintage caboose and tour around the museum hosted by our private tour guide. On our trip back to Reno we had some sprinkles, but if you were not able to join us you missed a most enjoyable day and about 130 miles of beautiful countryside. Thanks to all of the participants.

Don't forget that we will be hosting the Sonora A's who will be arriving Friday July 14 and heading back on Sunday the 16<sup>th</sup>. The pavilion at Mormon Station has been engaged. A late barbeque lunch is planned at 1:30 p.m. on Friday, the 14th, when our guests should arrive. The club will provide burgers and dogs and soft drinks. Those attending are asked to bring side dishes. On Saturday, the 15th a day tour is planned. We will leave The Carson Valley Inn at 9:00a.m. and a second pick up point will leave Mills Park at 10:00a.m., then on to Virginia City. We will take a train ride to Gold Hill when we get there, followed by some sightseeing and lunch "on your own" then back down the hill to Carson City and Minden. A flyer will be sent out. We need a head count so please RSVP to Scott by email or 775-250-4908 if you plan to attend either or both of these functions.

On July 30th don't forget to save the day for a barbeque lunch hosted by the all Ford Group to celebrate Henry and Clara Ford's birthday. The get together will be hosted in Minden. More details on the next page (Sagebrush Outings).

August 1st through 6th is Hot August Nights. There are lots of beautiful cars and some great entertainment this year. You can register or get more information at [www.hotaugustnights.net](http://www.hotaugustnights.net)
