MAFFI Minute

July/August 2026

Hope everyone has had a great summer! Model A Days are quickly approaching. If you have not been, Model A Days is a great time to come see the museum, and experience all that the Gilmore has to offer!

Model A Days runs September 18th and 19th at the Model A Museum at the Gilmore Car Museum's Campus in Hickory Corners, Michigan. We will be featuring the Secrets of Speed Society with Model A Speedsters and seminars on Saturday! Plus, the largest Model A swapmeet and plenty of time to catch up with friends!

Please make sure you check out the sweepstakes this year for the fantastic 1930 Fordor Sedan, and the other flash sale items!

Keep on motoring!
John Grossheim
Trustee and Secretary of MAFFI

What a great trip. The weather was good, the salt was hard and the cars were fast and the photographer made us look really good!

There is no other place like it. The easiest place ever to pass the salt!

The **fastest hydrogen-powered vehicle ever recorded** is the **JCB Hydromax**, which achieved an **average speed of 406.320 mph (653.96 km/h)** at the Bonneville Salt Flats in Utah on August 11, 2026

Not all entries are million-dollar cars. Salt gets everywhere.

Our friends Greg and Matt found me a chair in the Nevada desert. It was a real hit on the salt.

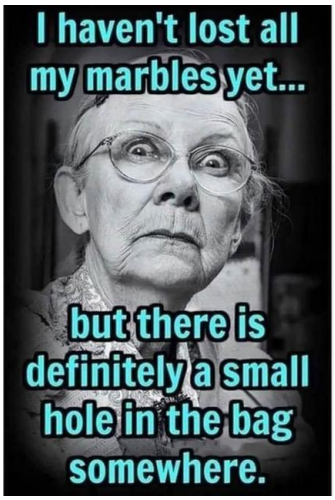
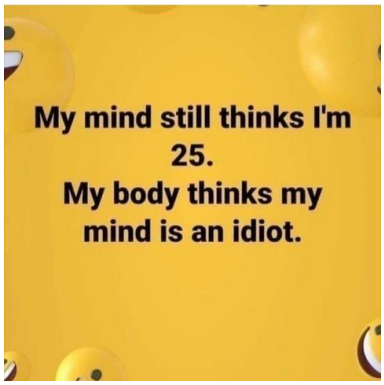
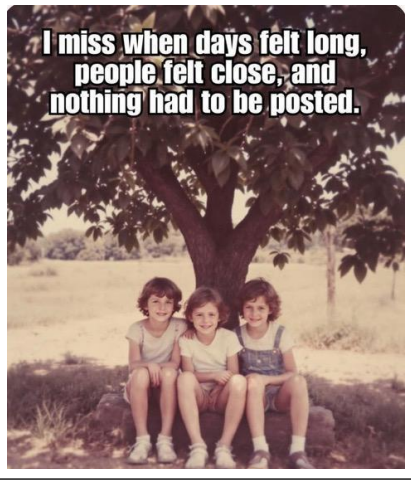
Too Funny!!

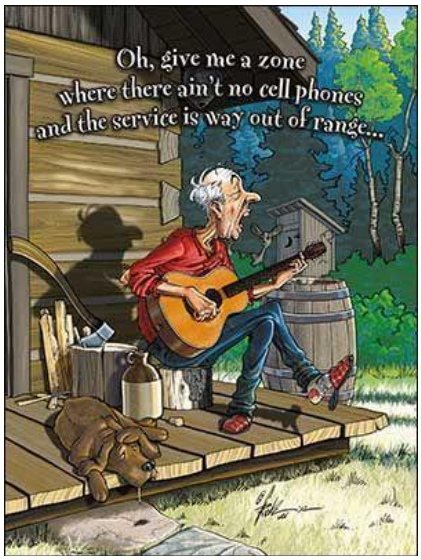


I think I found my new Lawyer

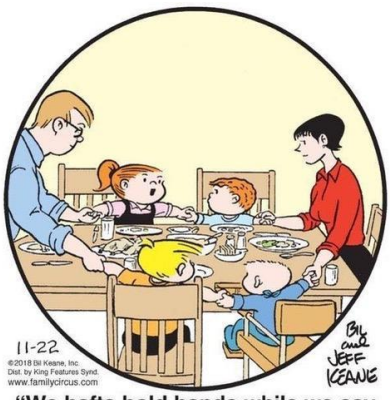
Thinking back to when “a new hip joint” meant someplace I wanted to go on Friday night.







I told my boss I needed a pay rise as 3 other companies were after me... He asked which ones? I said "gas, water & electric"



"We hafta hold hands while we say grace so nobody gets a head start eating. Right, Mommy?"

Yesterday my husband thought he saw a mouse in the kitchen. He sprayed everything down and cleaned it thoroughly. Today I am putting that mouse in the bathroom!
