Roger went to Idaho

Years ago, I took a 1929 Ford pick up to Idaho and gave it to My friends Jim and Nedra. They had fun with it for a few years, then Jim passed on and the old Ford set in the shop where Nedra keeps it dust free but didn't drive it for a while. One day I went up and put it back on the road for her. She drove it a couple years and then it sat again. I got a phone call and Nedra said you better come see me, The Model A needs some care; so, I went up and, in a few hours, I had it back on the road again. Nedra keeps the Cal. plates on it just because she likes them.

This truck was built by Mark Stott from Danville and his friend Roger Mark pasted on to Roger when he was done driving it and Roger past it on to his friends in Idaho. Nedra is driving it daily and will do so until winter gets there.

My kids and grandkids keep laughing about me losing my memory.

They won't be laughing at Christmas when there's no eggs under the tree!

I discovered that answering the door naked helps deter trick-or-treaters. Oh, here we go again, here's two dressed as policemen...

Always make sure SOMEONE in the relationship has good credit. That's why it's called SIGNIFICANT other. Sign/if/I/can't.

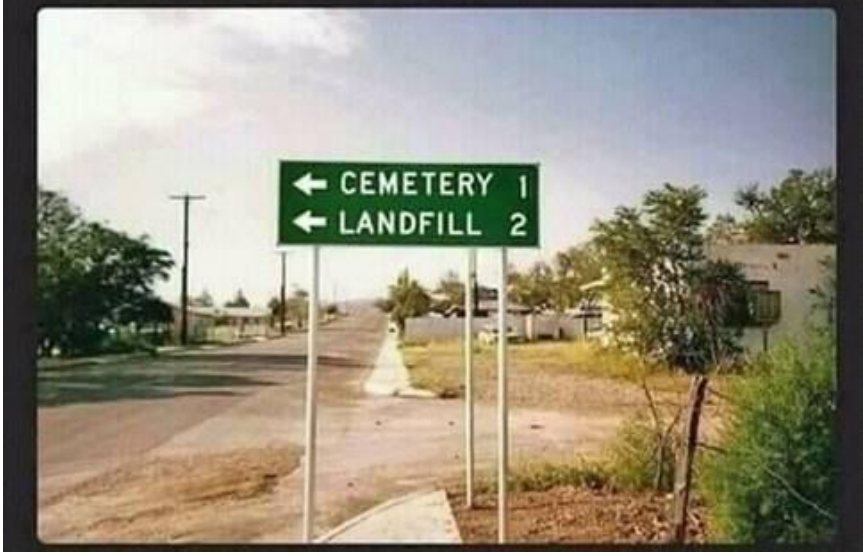
Time change. I had to go around and fix all my clocks.

My wife said, "For Christmas take $200 and buy me a Nativity set and if there's anything left over you can spend it on fishing stuff!"

I wonder if the people paying $300 for a colon cleanse even know about Taco Bell's $4.99 deal.

My wife said when I pass she would go the extra mile to give me the burial I deserve...



Mother-in-law came for dinner and said, "Why does the dog keep looking at me?" I said, "Because you're using his plate!"

SO IF A COW DOESN'T PRODUCE MILK, IS IT A MILK DUD OR AN UDDER FAILURE?

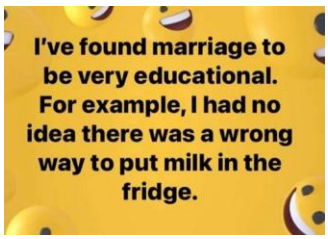
We'll Be Friends 'Til We're Old & Senile ...Then We'll Be New Friends!

FUN FACT
WOMEN SPEND MORE TIME WONDERING WHAT MEN ARE THINKING THAN MEN SPEND ACTUALLY THINKING



I've found marriage to be very educational. For example, I had no idea there was a wrong way to put milk in the fridge.

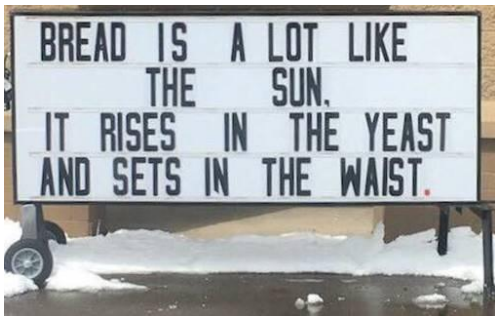
On our way to church, we asked our grandchild why is it important to be quiet in church. She said "Because there are people sleeping!"

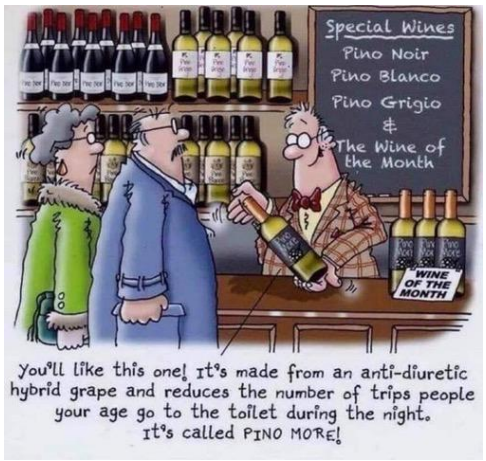
I'm thinking it's the socks. I could tell right away those were heavy socks.
Best friends always know the right thing to say.

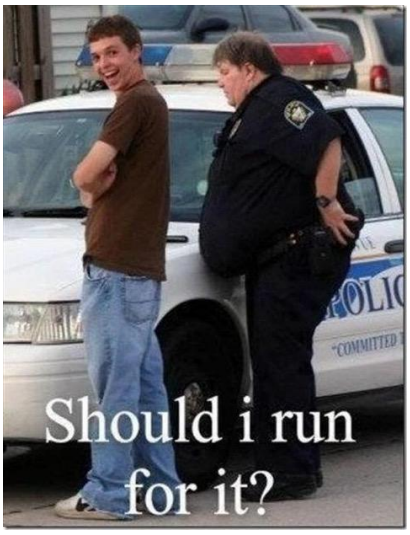
I MAY NOT HAVE LOST ALL MY MARBLES YET, BUT THERE'S A SMALL HOLE IN THE BAG SOMEWHERE

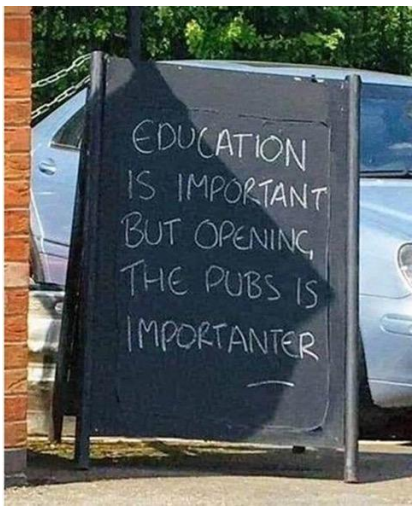
Apparently you can't use 'beefstew' as a password.

It's not stroganoff.

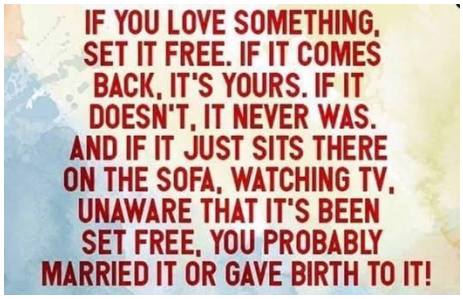


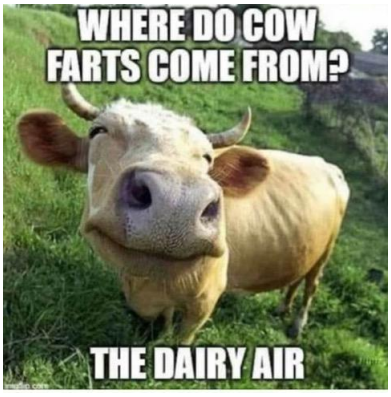


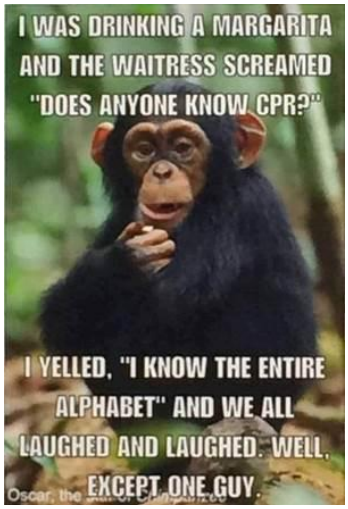




I send flowers "From Steve" to my neighbors wife every Friday night, then watch them fight from my living room window while eating popcorn





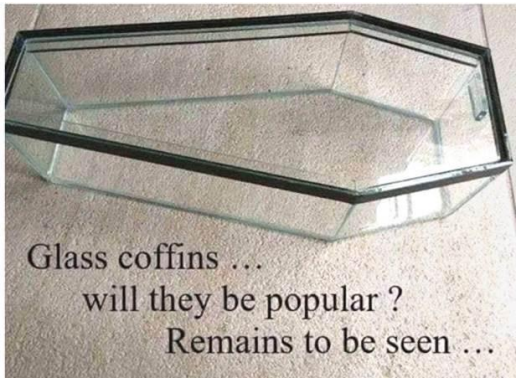


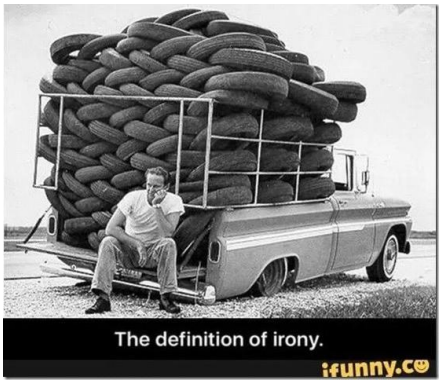
Ill never forget the look on the cashiers face, when she scanned the packet of bird seed,
And I asked her how long does it take for the birds to grow once I plant them.

Her: "babe, I want a castle in the sky"

Me: "say no more"

Congratulations, America!
51 years ago you stepped on the moon.
Today you can't even go to Canada.





Last year I joined a support group for antisocial people. We haven't met yet.
